San Gabriel B
Cudahy Black
South Los Angeles A

2 or 3 team pools with corresponding pools will have challenge matches following their pool play for placement into the next phase/day of competition.

The 3 team pools without a corresponding pool will play 3 sets to 25. The match is determined when one team has won 2 sets. If the third set is not a deciding set the set will be played for competition on a court with an opponent and a referee. It is not optional.
